

Water Cycle

Name _____

Labelling answers

Answer sheet: match each word to its picture.

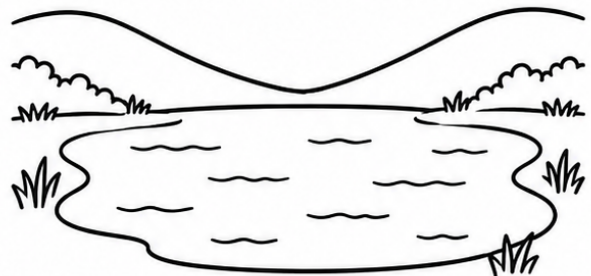

1. EVAPORATION

2. CONDENSATION

3. PRECIPITATION

4. COLLECTION

WORD BANK

EVAPORATION

CONDENSATION

PRECIPITATION

COLLECTION

Arrows and large drops are symbols; the full water cycle has more processes.

Evaporation changes liquid water into water vapour, an invisible gas.

Condensation makes liquid droplets. Precipitation falls; water can collect in lakes.
