

Water Cycle

Name _____

Labelling

Write the word-bank names under the matching pictures. Then colour them.

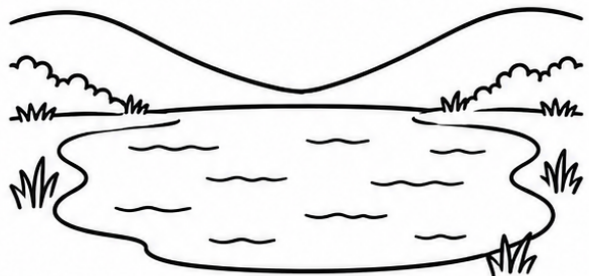

1. _____

2. _____

3. _____

4. _____

WORD BANK

EVAPORATION

PRECIPITATION

CONDENSATION

COLLECTION

Arrows and large drops are symbols; the full water cycle has more processes.

Evaporation changes liquid water into water vapour, an invisible gas.

Condensation makes liquid droplets. Precipitation falls; water can collect in lakes.
