

BRICK BINGO

Name _____

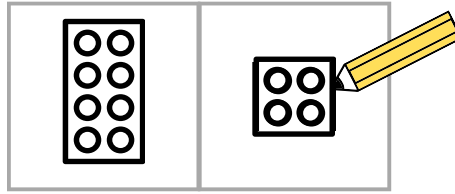

HOW TO PLAY

Fill in the bingo card with random Brick sizes . **Tip:** The bingo caller will call out a Brick. **Cross out all of the boxes which have that.** First person to complete a line and says "bingo" wins!

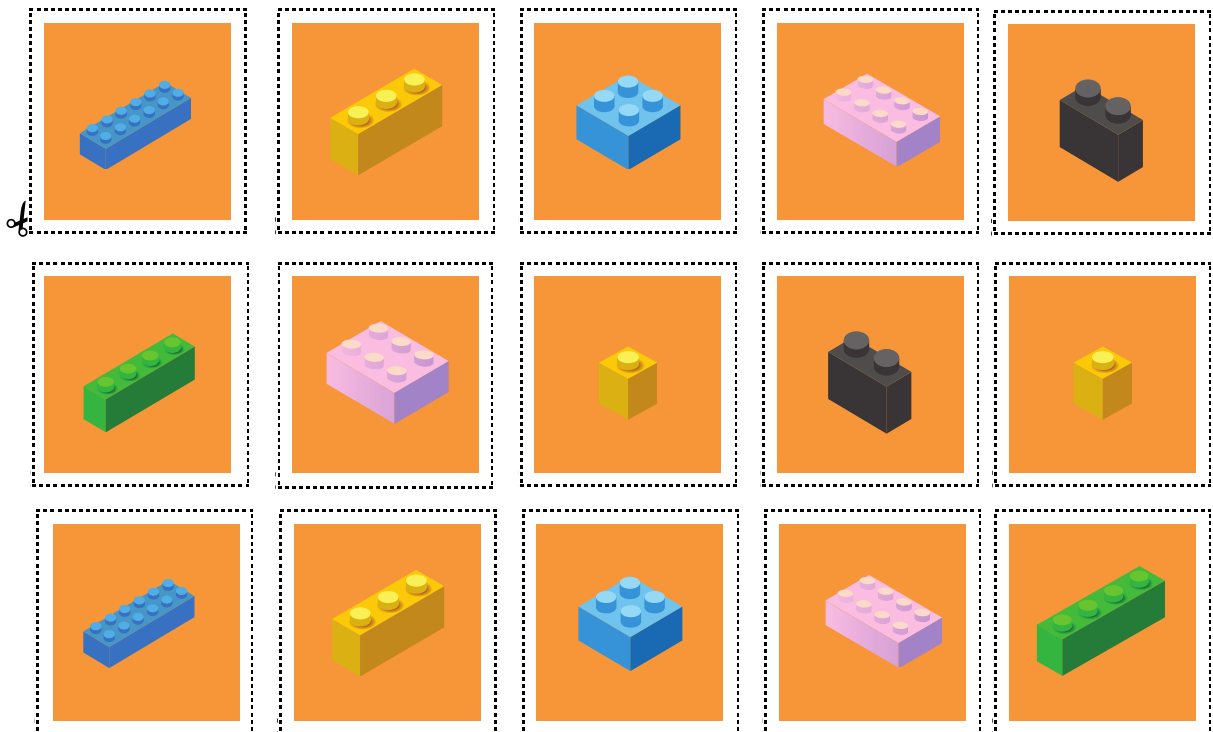

BEFORE YOU START

Everyone should fill in their bingo card with random Lego Blocks you can use each block 5 times **MAX**

CUT OUT PIECES

Create the bingo call out pieces by cutting along the dotted lines. Separate the circles and squares into different piles.

HOW TO CALL OUT

To play, pick a facedown square and call it out once this is done put it in the discard pile, if you get a duplicate that has been called out this turns into a wild for a single brick allowing you to cross it out.
